Re: In the Matter of Telrite Corporation's d/b/a Life Wireless Petition for Limited Designation as an Eligible Telecommunications Carrier per Docket No. 12-2553-01.

RECOMMENDATION:

The Commission should acknowledge the proposed changes in minutes to Telrite Corporation d/b/a Life Wireless ("Telrite") Lifeline offerings in the State of Utah.

BACKGROUND:

On December 5, 2017 Telrite filed with the Commission notification of changes to their existing lifeline program. As indicated by Telrite in the Petition, the Commission's order required notification when changes were being made to the existing offerings. As contemplated by the order, Telrite is filing the notification with the Commission.

The Commission should acknowledge receipt of the notification and allow the effective date to be December 1, 2017 as indicated by Telrite.
